

Session 8

Neran tells Gwen off. Santa. I guess
man is oddly polite for a night
makes right type Dude.

I wake everyone up, explaining that they
were positioned

Dawn of the next day.

Maybe we should get off the island

tyr Returns, saying Dizza was screaming
I go to check on him, while the party
plans what to do with Gwen.

Dizza has some form of magic/Ptsp
says they heard a voice from the basement

We return to Gwen's Swamp house
Hemlock Breeds in, and hocks
the Bell into the Ocean. (Swamp?)
throws another
a third is surrounded by a wall of force

Stien checks the trapdoor for traps
not trapped, a green light from below
with the rustling of leaves.

Under the trapdoor is a forest
- I and Q. Believe the illusion

Hemlock sees the cold stone

a Jinxie appears, and tells us it's
protecting the forest

after some interaction, we see the illusion
for what it is.

She had a Fey trapped, chained in
a cage.

We take the Fey out, and run into
Gwen, who threatens us, tells us to
put the Fey back, etc.

Fight

after a short conflict, Hemlock downs
her.

Hemlock: 5

She, as she dies... explodes??

With Pitchforks?

She.... Gets dragged to hell? :G?
- must have been some deal with a devil,
or asmodeus.

I.... I don't know how I feel....
