hemlock talks to the Gator, Cat and crocodile, an unlikely pair.

Quellera is Drunk From a thimble and seems to think I'm a horse. She's so snail, it's adorable

the Roboid wants us to sneak some bags onto the boat, sure, let's see how this goes!

I'm... kinda sneaky?

Oh, hey we leave after mid-day. My kind of people

I'm using my permission to sleep on the ship to help them get their bags on the ship.

the ship is powercrashed so clean....

Roboid seems very set in his plans. I make a tracing of the key he has, and hide a couple sacks aboard.

then, well sleep.
